

# SENATE MOTION

**MADAM PRESIDENT:**

**I move** that Engrossed House Bill 1001 be amended to read as follows:

- 1       Page 103, between lines 10 and 11, begin a new paragraph and
- 2       insert:
- 3       "SECTION 47. IC 4-31-1-3 IS ADDED TO THE INDIANA CODE
- 4       AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE
- 5       JULY 1, 2005]: **Sec. 3. This article does not apply to any of the**
- 6       **following:**
- 7       **(1) Pari-mutuel pull tabs (as defined in IC 4-35-2-7) sold by**
- 8       **the state lottery commission on the premises of a permit**
- 9       **holder's race track under IC 4-35.**
- 10       **(2) Money wagered on pari-mutuel pull tabs under IC 4-35.**
- 11       **(3) Revenues from the sale of pari-mutuel pull tabs under**
- 12       **IC 4-35.**
- 13       SECTION 48. IC 4-31-5.5-3 IS AMENDED TO READ AS
- 14       FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 3. (a) As used in this
- 15       section, "live racing day" means a day on which at least eight (8) live
- 16       horse races are conducted.
- 17       (b) The commission's authority to issue satellite facility licenses is
- 18       subject to the following conditions:
- 19       **(1) Except as provided in subsection (c),** the commission may
- 20       issue four (4) satellite facility licenses to each permit holder that:
- 21       **(A)** conducts at least one hundred twenty (120) live racing
- 22       days per year at the racetrack designated in the permit holder's
- 23       permit; and
- 24       **(B)** meets the other requirements of this chapter and the rules
- 25       adopted under this chapter.
- 26       If a permit holder that operates satellite facilities does not meet the
- 27       required minimum number of live racing days, the permit holder
- 28       may not operate the permit holder's satellite facilities during the
- 29       following year. However, the requirement for one hundred twenty
- 30       (120) live racing days does not apply if the commission
- 31       determines that the permit holder is prevented from conducting
- 32       live horse racing as a result of a natural disaster or other event

over which the permit holder has no control. In addition, if the initial racing meeting conducted by a permit holder commences at such a time as to make it impractical to conduct one hundred twenty (120) live racing days during the permit holder's first year of operations, the commission may authorize the permit holder to conduct simulcast wagering during the first year of operations with fewer than one hundred twenty (120) live racing days.

(2) Each proposed satellite facility must be covered by a separate application. The timing for filing an initial application for a satellite facility license shall be established by the rules of the commission.

(3) A satellite facility must:

(A) have full dining service available;

(B) have multiple screens to enable each patron to view simulcast races; and

(C) be designed to seat comfortably a minimum of four hundred (400) persons.

(4) In determining whether a proposed satellite facility should be approved, the commission shall consider the following:

(A) The purposes and provisions of this chapter.

(B) The public interest.

(C) The impact of the proposed satellite facility on live racing.

(D) The impact of the proposed satellite facility on the local community.

(E) The potential for job creation.

(F) The quality of the physical facilities and the services to be provided at the proposed satellite facility.

(G) Any other factors that the commission considers important or relevant to its decision.

(5) The commission may not issue a license for a satellite facility to be located in a county unless IC 4-31-4 has been satisfied.

**(c) After December 31, 2004, a permit holder may not submit an initial application for a license to operate an additional satellite facility under this chapter. After December 31, 2004, the commission may not issue an initial license for a new satellite facility. A satellite facility license issued before January 1, 2005, may be renewed annually subject to the requirements of this chapter.**

#### 40 **Chapter 5. Pari-Mutuel Pull Tab Vendors**

41 **Sec. 1. (a)** The commission may enter into contracts for the  
42 purchase, lease, or lease-purchase of goods or services necessary to  
43 carry out this article. The commission may not contract with any  
44 person or entity for the total operation and administration of the  
45 sale of pari-mutuel pull tabs authorized by this article, but may  
46 enter into contracts and make purchases that integrate functions  
47 such as game design, supply of goods and services, and

advertisement.

(b) In all procurement decisions, the director or the commission, if the commission chooses to make the decision, shall take into account the particularly sensitive nature of the gaming authorized by this article and shall consider the competence, quality of product, experience, and timely performance of the vendors in order to promote and ensure security, honesty, fairness, and integrity in the operation and administration of the sale of pari-mutuel pull tabs and the objective of raising net revenues for the benefit of the public purposes described in this article.

Sec. 2. The division of security established under IC 4-30 shall investigate the financial responsibility, security, and integrity of a person who submits a bid, proposal, or offer as part of a major procurement. At a minimum, each person must disclose at the time of submitting a bid, proposal, or offer to the commission all of the following items:

(1) A disclosure of the vendor's name and address and the names and addresses of the following:

(A) If the vendor is a corporation, the officers, directors, and each stockholder in the corporation, except that in the case of owners of equity securities of a publicly traded corporation only the names and addresses of those known to the corporation to own beneficially at least five percent (5%) in equity securities need be disclosed.

(B) If the vendor is a trust, the trustees and all persons entitled to receive income or benefits from the trust.

(C) If the vendor is an association, the members, officers, and directors.

(D) If the vendor is a partnership or joint venture, all of the general partners, limited partners, or joint venturers.

(2) A disclosure of all the states and jurisdictions in which the vendor does business and the nature of that business for each state or jurisdiction.

(3) A disclosure of all the states and jurisdictions in which the vendor has contracts to supply gaming goods or services, including lottery goods and services, and of the nature of the goods and services involved for each state or jurisdiction.

(4) A disclosure of all the states and jurisdictions in which the vendor has applied for, has sought renewal of, has received, has been denied, has pending, or has had revoked or terminated a gaming license or contract of any kind and of the disposition in each state or jurisdiction. If a gaming license or contract has been revoked or terminated or has not been renewed or a gaming license application or contract bid has been either denied or is pending and has remained pending for more than six (6) months, all of the facts and circumstances underlying this failure to receive a license or

1 contract must be disclosed.

2 (5) A tax clearance statement from the department of state  
3 revenue certifying that the vendor is not on the most recent  
4 tax warrant list.

5 (6) A disclosure of the details of a conviction or judgment of  
6 a state or federal court of the vendor of a felony or any other  
7 criminal offense other than a traffic violation.

8 (7) A disclosure of the details of a bankruptcy, an insolvency,  
9 a reorganization, or any pending litigation of the vendor.

10 (8) If a vendor subcontracts part of the work to be performed,  
11 the vendor shall disclose all the information required by this  
12 chapter for the subcontractor as if the subcontractor were a  
13 vendor.

14 (9) Additional disclosures and information the commission  
15 determines appropriate for the procurement involved.

16 Sec. 3. A contract for a major procurement with a vendor that  
17 does not comply with the disclosure requirements described in  
18 section 2 of this chapter may not be entered into and is not  
19 enforceable. A contract with a vendor who does not comply with  
20 the requirements for periodically updating the disclosures during  
21 the tenure of the contract as specified in the contract may be  
22 terminated by the commission. This section shall be construed  
23 broadly and liberally to achieve full disclosure of all information  
24 necessary to allow for a full and complete evaluation by the  
25 commission of the competence, integrity, background, and  
26 character of vendors for major procurement.

27 Sec. 4. A contract for a major procurement with a vendor may  
28 not be entered into if the vendor has been convicted of, or entered  
29 a plea of guilty or nolo contendere to, a felony committed in the  
30 preceding ten (10) years, regardless of adjudication, unless the  
31 commission determines that:

32 (1) the vendor has been pardoned or the vendor's civil rights  
33 have been restored;

34 (2) subsequent to the conviction or entry of the plea, the  
35 vendor has engaged in the kind of law abiding commerce and  
36 good citizenship that would reflect well upon the integrity of  
37 the lottery; or

38 (3) if the vendor is a firm, an association, a partnership, a  
39 trust, a corporation, a limited liability company, or other  
40 entity, the vendor has terminated its relationship with the  
41 individual whose actions directly contributed to the vendor's  
42 conviction or entry of the plea.

43 Sec. 5. Each vendor in a major procurement must, at the time  
44 of executing the contract with the commission, post an appropriate  
45 bond or a letter of credit with the commission in an amount equal  
46 to the full amount estimated to be paid annually to the vendor  
47 under contract. However, the commission may, by a majority vote

of all the members of the commission, adopt a resolution expressly permitting the director to decrease the bond or letter of credit requirement for a procurement if the director determines that the decrease will result in a cost savings to the commission while still providing adequate protection against nonperformance. Instead of a bond or letter of credit, a vendor may, to assure the faithful performance of the vendor's obligations, deposit and maintain with the commission securities that are interest bearing or accruing and that, with the exception of those specified in subdivision (1) or (2), are rated in one (1) of the four (4) highest classifications by an established nationally recognized investment rating service. Securities eligible under this section are limited to the following:

(1) Certificates of deposit issued by solvent banks or savings associations organized and existing under Indiana law or under the laws of the United States and having their principal place of business in Indiana.

(2) United States bonds and bills for which the full faith and credit of the government of the United States is pledged for the payment of principal and interest.

(3) General obligation bonds and notes of any political subdivision of the state.

(4) Corporate bonds of a corporation that is not an affiliate or a subsidiary of the depositor.

Securities shall be held in trust and must have at all times a market value at least equal to the full amount estimated to be paid annually to the vendor under the contract.

Sec. 6. Each contract entered into by the commission for a major procurement under this chapter must contain a provision for payment of liquidated damages to the commission for a breach of the major procurement contract by the vendor.

Sec. 7. A contract entered into by the commission under this chapter may not include a provision allowing for warrantless searches.

Sec. 8. Each vendor must be qualified to do business in Indiana and shall file appropriate tax returns as provided by Indiana law. All contracts under this chapter are governed by Indiana law.

Sec. 9. IC 5-22 does not apply to procurement by the commission. The commission shall adopt rules under IC 4-22-2 for procurement. The rules shall be designed to aid the commission in evaluating competing proposals and selecting the proposal that provides the greatest long term benefit to Indiana with respect to the quality of the product or services, dependability and integrity of the vendor, dependability of the vendor's products or service, the security, competence, and timeliness of the vendor's products or services, and the maximization of gross revenues and net proceeds over the life of the contract.
